

# ROBOT WARS

By request of *TEAM BALLISTIC*

Jake Eaton, Adam Baker & Tom Leigh are *Team Ballistic*.  
They are building a combat robot capable of destroying anything in its path.  
This feared machine needs your help to breathe.

Please give us support to turn Frome College into UK Champions!  
In order to bring home the trophy, we need your help to the War Effort.  
You can contribute to the project by sponsorship or donating materials.

Please help us now to save us all...

Let the battle commence!
